8th Grade Parent Ad in 2020 Yearbook

8th grade parents can purchase an ad for their child to commemorate their last year at Sequoia. The cost of the color ad is $35 and includes a photo and a message from the parents. There are two ways you can purchase your ad:

1. You can submit your information online, design your own ad and pay by credit card (see attached flier). **Submit by Monday, December 23.**
2. You can also submit your information directly to room E-5 or Mrs. Amerson's box in the office by **Friday, December 20, 2019**. Use the following checklist:
    - Photos (**Do NOT physically cut your photos)**. We will electronically scan your photos. If you want to focus on just one area of a photo, use Post-It Notes to cover the unwanted areas.
    - Text (maximum of 25 words)
    - If you would like your photo returned to you in June, include a self-addressed stamped envelope with your order.
    - Please write your name and address on the back of the photo submitted. Although it is rare for the yearbook staff to misplace a photo, it can happen. Help make sure your photo is returned to you by taking this extra step.
    - Cash or check payable to "SMS".

If you have any questions, please leave a message for Mrs. Amerson at 682-8000 ext. 5675 or email questions to amersonl@mdusd.org
