Championship Day Arrives At The Fall Classic!

50+ American Division La Piazza Yankees batter, **Gary D'Ambrisi** hits the ball to the left side of the infield during his teams semi-final game against the Puerto Rico Royals Friday.

With One Game Left To Play Teams With Pitching Have The Advantage

No Tomorrow As the Teams Battle Today For The Championship Title In All Divisions By Fall Classic Staffer

By anybody's standards, advancing to the championship game is quite an accomplishment

regardless of the sport or level of play. Achieving this in an MSBL tournament is something special and requires a total team effort. Timely hitting, good defense, combined with quality pitching and a break or two was the difference between winning or losing. There's no feeling quite like winning it all and today players on both teams will either feel the ecstasy and joy that comes with a victory, or the agony of defeat. Whatever the outcome, teams participating in the tournament spent a week on the ballfield, playing the game they grew up with and living like a pro player!
