Perdido Bay Kids!

Elementary (K – 5th Grade)

Children's Church – 9:00am & 11:00am

- Children's Church services are offered in conjunction with Sunday morning adult worship. Kids participate in worship music, prayer, scripture readings, and Bible lessons. Biblical teachings are reinforced through skits, crafts, games, activities, and small group discussions.

Sunday School - 10:10am

- Children's Sunday School is an opportunity for kids to engage in grade-level small group Bible Study and fellowship. *Perdido Bay Kids!* hosts three Sunday School classes for elementary aged kids (K/1st, 2nd/3rd, and 4th/5th grade classrooms). Snacks, crafts, games, and curriculum-based instruction are provided by a team of dedicated teachers in each classroom.

Wednesday Nights - 5:00-7:00pm

- Join us for our weekly Wednesday night programming! Our evenings begin with a fellowship meal from 5:00-5:30pm. Following dinner, kids participate in music and worship as well as Bible Study, scripture memorization, and interactive activities that deepen their faith and Christian friendships. Your children will love getting plugged in during these high-energy evenings!

Elementary Camps

- Elementary children have multiple opportunities to attend various camps each year. There are weeklong camps during the summer for sports/fitness and Worship Arts. Additionally, we offer two overnight camp opportunities to upper elementary students (3rd-5th grade) during the year. Participation in camps with *Perdido Bay Kids!* is most impactful in conjunction with regular attendance on Wednesday nights and/or Sunday mornings.
