

Undeclared Major

It's completely normal to be unsure about your major or career path — college is the perfect time to explore your interests and discover what truly excites you. *Below are action items you can do today to help shape your tomorrow!*

ASK YOURSELF...

- What do I like to do?
- What are some things I could see myself doing?
- What kind of environment do I want to work in?
- What is my dream job?

TAKE CAREER ASSESSMENTS

A career assessment can be a helpful tool when you aren't sure what path you want to take because it:

- Offers personalized suggestions for majors and careers
- Identifies your strengths, interests, and values
- Suggests how real-world opportunities can connect to your personality

Ready to find out what career fits you best? Take the below assessments to get started!
