THE MASTER CLASS

October 13, 2026 | 8:00AM-3:00PM

Red Team, Blue Team: Challenging Assumptions in Complex Investigations is an advanced masterclass that sharpens investigative decision-making through realistic case scenarios, structured team challenges, and evidence-based analysis. Learn to identify cognitive bias, challenge assumptions, avoid tunnel vision, and build stronger, more defensible investigative conclusions. Designed for investigators who want to elevate their critical thinking when the stakes are highest.
