2027 32/48-Flighted Draw Instructions:

A 32/48 Draw will be flighted into 2/3 separate draws (Flight A - Flight B - Flight C). Flight A will be players ranked 1-16, Flight B will be players ranked 17-32 and Flight B will be players ranked 33-48 If you are doing a 48-draw. All flights should have seeded players(up to 4).

Draws will be flighted if there are more than 16 players, even if there is an uneven number. Flight A will have the most players in any instance. For example: 17 players enter the tournament- Flight A will have 9 players and Flight B will have 8 players.

Points for each Flight are different. Please see the USTA Point Chart under the Flighted Draw(Non Round Robin) tab. USTA Point Chart Link

If draws are published or 10:00 am EST 3 days before the Tournament is to start and someone withdraws, the next alternate will go into the withdrawal spot- if a seed withdraws in either flight, you may reorder the seeds ONLY in the flight the seed withdrew from.

If before 10:00 am EST 3 days before the Tournament is to start and someone withdraws from Flight A, the top player from Flight B will be put in Flight A. If a seed withdraws from Flight C then add an alternate and redo the seeds.
