*Newsletter for the Presbyterian Women in the  
Synod of Lakes & Prairies*

August, 2023

Kathleen Keefer, Editor

## *Moderator's Musings:*

Greetings from South Dakota!

I have been busy with Presbytery meetings, PW Presbytery meetings and serving pulpit supply in my presbytery. I do love to travel, so if your group is holding a fall gathering or get-together, let me know! I'd love to be a guest and meet more of my PW sisters in the Synod face-to-face.

At the last Co-ordinating Team meeting we approved and put into the bylaws a new position: Facebook Coordinator. This person will serve under the Communications Committee and will be the administrator of our FB page: receiving, approving, and posting all items to our Facebook page from the PW groups in our Synod.

Please contact me if you are willing to serve in this position or know someone who is qualified.

Other opportunities to serve and have fun doing it are on the Synod Gathering Committee. I am so excited to announce that Maggie Horak and I have begun the process and have a tentative location lined up in Watertown, S.D. Just waiting for room confirmations before we sign a contract.

We have committee chairs lined up for music, a pre-gathering tour, registration, and others, but we need a chair to arrange four workshop leaders and to work on publicity and other published materials such as bulletins and registration booklets. Of course, there are also other committees we will need help with, such as hospitality and decorating. If you are interested in helping with any of these committees or know of any resource for speakers or workshop leaders, please contact Maggie or me. This is going to be so much fun! Don't miss out on the opportunity to be in on the ground floor.

Also, Kathleen Keefer and I are going to start a Synod-wide monthly Zoom meeting in September for any and all women in our Synod to meet and discuss issues pertinent to our life and times in the church. We call it the *Synod Sit and Sip*. You are invited to log in with your choice of beverage as we discuss topics such as Gun Violence, Hospitality, Immigration, Women's Access to Healthcare, Racism and White Privilege, LGBTQIA+ Issues, and more. We will pick the first topic with a book or article to read or a movie to watch prior to the meeting to get our conversations flowing. Then it will be up to you to direct where our discussions go.

As Presbyterian Women, we have a thirst for knowledge and a love of community service/mission work, and we can support each other as we learn the truth and facts and delve into these issues in depth in a non-threatening format where all sides will be heard and respected. Because that is what we Presbyterians do, and I am so proud to call myself a Presbyterian.

God's blessings on you all,

*Louise Van Poll*

#### TOGETHER IN SERVICE

By Pat McKisson, Committee Chair

'Answering the call to be the hands and feet of Christ in the World.'

Have you ever thought how the donations you make to CWS can make such a difference! Here is an example of what all contributions can accomplish. Below is CSW's first quarter update on the work they have accomplished with your help.

**Thank you for being the hands and feet of Christ!**

*When you assemble CWS Kits, host a Best Gift event or a Blanket Sunday offering, you are helping others and sharing God's love. We've gathered a few recent stories to share how you are bringing hope, help and a physical reminder of God's love to neighbors around the world. With gratitude, Matthew Stevens, Director of Congregational Campaigns Thanks for all you do!*

#### **1) You are transforming lives through CWS Kits and Blankets**

During 2022, your participation in this life-giving work has stretched across the globe. Here is just a sampling of where CWS Kits and Blankets have been shared with grateful recipients in the United States and with our neighbors in US territories and other countries.

U.S.A. Arkansas, Arizona, California, Colorado, Washington DC, Florida, Illinois, Indiana, Kentucky  
Louisiana, Maine, Mississippi, No. Carolina, New Jersey, New Mexico, New York, Ohio  
Pennsylvania, Puerto Rico, Texas, Utah, Virginia, Washington

Global Armenia, Georgia, Moldova

**Responding to Disaster**

When a natural disaster happens, the road to recovery and safety may be a long one, and no one should walk it alone. Generous donors walk alongside our neighbors to ensure they have the supplies they need. Kits distributed to disaster relief victims include:

Clean Up Buckets, Hygiene Kits, Period Packs, Blankets, and School Kits

Kits were distributed for California Fire Response, Florida Hurricane Ian Response, Kentucky Flooding Response, and Mississippi Flooding Response.

**Serving Neighbors who are Homeless**

When tough times happen, a kind and loving response makes a difference. That's why the CWS Blankets and Kits program was created—to remind someone facing a difficult time that they are not alone. Caring donors ensure that someone who needs comfort not only receives a warm blanket and other supplies they might need, but they are also given unconditional kindness, respect, dignity, and love.

Kits distributed to our unsheltered neighbors include:

Hygiene Kits, Period Packs, and Blankets.

Kits were distributed in Louisiana, Maine, No. Carolina, Ohio, Utah, and Washington.

**Welcoming New Neighbors**

When neighbors around the world are forced to leave their homes and begin a new life in various parts of the United States, they often travel with a few materials possessions. Compassionate donors help welcome our newly arriving neighbors and provide essentials like food, water, blankets, and hygiene supplies.

Kits distributed to our new neighbors include:

Hygiene Kits, Welcome Backpacks, Blankets, and Period Packs.

Kits were distributed in Arizona, California, District of Columbia, Florida, Illinois, Kentucky, New Jersey, New York, Pennsylvania, Texas, and Virginia..

**Caring for Our Communities**

The desire to reach out and build relationships within the local community by sharing CWS Kits and Blankets are two of the many ways our generous donors share a hope-filled world.

Kits distributed to our local communities include:

Hygiene, Welcome Backpacks, Blankets, Period Packs, School Kits, and Clean-Up Buckets.

Kits were distributed in Arizona, California, District of Columbia, Florida, Illinois, Kentucky, New Jersey, New York, Pennsylvania, Texas, and Virginia..

Kits were distributed in Arkansas, Colorado, No. Carolina, New Mexico, New York, Ohio, Texas, and Washington.

Supporting Students' Education

Starting a new school year is exciting, but for children who don't have school supplies, it can also be terrifying. That's where compassionate donors come in---you share your resources with children so they can start the school year with the supplies they need to thrive.

Kits were distributed to local partners include:

Welcome Backpacks, School Kits, and Period Packs.

Kits were distributed in Arkansas, California, Colorado, Florida, Kentucky, Mississippi, No. Carolina, Ohio, New York, and Texas.

**Sharing Compassion and Hope. CWS Blankets/Testimonial**

Mary Catherine has worked for CWS for 20 years. As a mother of two, she fondly remembers wrapping her children in a cozy, warm blanket. That same feeling of warmth and love is felt each time she sees our neighbors wrap themselves in a CWS Blanket.

By providing a CWS Blanket for less than \$10, you provide comfort and concern for our vulnerable neighbors in need. Mary Catherine has seen our blankets on cots in shelters after a disaster or used to hang to make a partition between two areas in a refugee camp. She has seen families wrap all of their belongings into a blanket as a makeshift suitcase.

She is grateful for everyone who supports CWS Blankets ministry because you are giving a tangible sign of compassion and hope.

### CWS Superheroes/Spiderman's Story

Spiderman is one of CWS' youngest supporters. Although he doesn't wear a cape, like many of the superheroes we know, his actions are heroic.

Almost everyone is familiar with Batman, Superman, and other popular superheroes.

But not all superheroes wear capes...

"My grandma teaches me to love all people. She helps with the blanket program at our church," shared one of CWS' youngest supporters. A nine-year-old superhero in the making, Spiderman.

After many years of, faithfully, hosting a Blanket Sunday and making CWS Kits—Spiderman's church requested blankets and kits to share with the hundreds of individuals and families in their community who are in need.

"I like helping out at our church. It's fun and important." He said. "This year, I get to help her pass out the blankets to other people!"

Some of those people are children, like Spiderman. And he wants them to know how much he and others care. "I just want to make sure the other kids have everything they need."

Each year, Spiderman and others at his church share a meal and offer essential items like CWS blankets and kits to neighbors in need. As they share love they are also restoring hope—just like a superhero.

**ANYTHING IS POSSIBLE WITH GOD'S HELP: *The story of Kara and her dream.***

My Story:

I met Kara VanderKamp, Founder, President, and Executive Director of Remember Niger Coalition, when she came to my church in 2009. After hearing her message I told her to 'sign me up' to volunteer my time and energy to her cause. I served on the first board of directors and have taken 3 trips to Niger to visit the schools. I helped establish the Sponsorship program, which started with 30 sponsors in 2009 and now in 2023 there are over 391. My experience with Remember Niger has been nothing but fulfilling, motivating, and rewarding.

Kara's Story:

Kara is the executive director of the Remember Niger Coalition, which was founded in 2009, after she spent two years living in Niger and working as an educational consultant.

She has a master's degree in international educational development from Teacher's College, Columbia University, and a Bachelor of Arts degree from Hope College in Holland, Michigan.

Her dream started in October 2008, when Kara returned from a three-year assignment with the PC(USA) in Niger, West Africa, where she worked with the Evangelical Church of Niger as an educational consultant. Her experience in Africa also included a teaching assignment in Kenya with the Reformed Church in America, just before her appointment to Niger.

Inspired by her Nigerian colleagues' vision to positively transform their communities and country through education, Kara assisted in the opening of two new primary schools. After her years in Niger, Kara saw that there were more community leaders and members who had the desire to create high quality schools for their children. It also became

clear that they would need more partners and more funding in order to make their plans a reality. Kara returned to the United States and started RNC with the help of dedicated and compassionate partners.

She now lives in Niger. In this way, she is able to spend more time interacting and building partner relationships as well as being better situated to monitor and evaluate the projects.

The Mission of RNC is *Unifying people and mobilizing resources to expand quality educational opportunities in Niger.*

RNC accomplishes this mission by supporting and empowering leaders in Niger in their endeavor to establish and improve the quality of schools.

Where they began:

**In 2009:** 3 school communities with 400 students.

- 1) Tsibiri which was a primary school and the only boarding school.
- 2) Zinder which had Pre-K only.
- 3) Aguié which had Pre-K only.

Where they are:

**In 2022:** 18 primary and secondary school communities with over 4,000 students

Remember Niger partners with community leaders who seek to establish high-quality schools for children and youth in their communities. Partners own and operate their schools, which means they are invested in and committed to their success.

Remember Niger works to ensure that our partners have the tools and infrastructure they need to be successful. They do this by strengthening the capacity of the partner schools through the construction of school buildings, teacher training, the establishment of STEAM (Science, Technology, Engineering, Arts, Mathematics) resource centers with libraries, computers and other resources, a healthy meals program, solar powered well construction, and more.

Students come from a variety of family situations and religious backgrounds. There are economic diversity within each of the schools we support. There are those students and families who can afford to pay tuition, but also those who cannot such as well as disadvantaged students, including orphans, students with disabilities and girls.

Every year, nearly 250 students graduate and for the past nine years, the schools have had a 90% pass rate on the national exam students must pass to matriculate to middle school.

There is so much more to say about the work of Remember Niger. So, if you are interested in learning more visit their website at [www.rememberniger.org](http://www.rememberniger.org).

## MISSION HELP NEEDED FOR GOD'S CHILDREN PRIMARY SCHOOL IN UGANDA

by Pat McKisson, Chair of TIS

Can you help Missouri River Valley P.W. be the hands of feet of God in helping their neighbor in our world?

It is the intent of the P.W. of the Synod of Lakes and Prairies Together in Service committee to help in our communities and throughout the world by letting everyone know of different needs and projects. Sometimes, our sisters in Christ have a mission that they are committed to but find they could use some extra help. That is why we all are a part of P.W. We are one in Christ and if we can help one another, that is what we do.

### Here is how you can help.

Missouri River Valley supports a school in Uganda and the girls attending are reaching the age where they in need of sanitary products. The school is in a remote village and Days4Girls is not interested in supporting them. We have sent items to them before, but now we don't have the women to make them. Can any of your P.W. groups help?

We need: washable/reusable sanitary pads. No need to have bags/backpacks, just the pads. We will purchase the underwear and make the cycle calendars to send with them.

We have a nurse at the school who does the training. Thanks so much!! Kathleen Keefer

### Update from Bdecan Presbyterian Church, Tokio, ND by Donna Preston

Chandra Anderson started May 1st as their Ministries and Outreach Coordinator. She has been busy working with the food pantry and clothing closet, leading church worship, working with Nebraska Mission Team and 1 st Presbyterian Church – Rochester, MN Mission Team. and planning for backpack giveaway and fall events to include winter wear giveaway late Oct/early Nov.

The Nebraska Mission Team came from 2 Presbyterian churches in the Lincoln, Nebraska area. They had 2 adults and 6 middle school and high school youth.

They arrived the first part of June on a Saturday, attended worship and potluck on Sunday then held bingo and visited with church members and children. On Monday, they held a day of VBS for the children of the church. Tuesday, they did some service projects around church and clothing closet plus had a tour of the reservation and heard from Elder Louie Garcia about the culture. They returned home on Wednesday.

1st Presbyterian Church of Rochester, MN came the 3rd weekend of July providing hotdogs and chips for the people attending the food pantry giveaway. They also provided crafts for the children to take home. They had the opportunity to meet and visit with people from the reservation. Then Sunday, retired Pastor Larry Boutelle preached during worship followed by potluck lunch and activities for church members. VBS was provided for church children on Monday.

Both groups are planning to return next year to do VBS again. We have another group showing an interest in a 3rd VBS next summer.

A person will be visiting the church in the middle of October to start planning. It's exciting that now Chandra is working at the church, mission teams will be able to provide VBS for the children of the church and hopefully, there will be mission teams who can do some much-needed work at the church and food pantry. Anyone interested can find more info at [bdecanchurch.com](http://bdecanchurch.com).

## PRESBYTERIAN WOMEN ARE BOLD – AROUND THE WORLD

**CELEBRATING A BOLD PW**

“PW are uniquely BOLD” is a short yet powerful two-minute video that highlights the unique and important witness that PW brings to the church and world. Available at [youtube.com/presbyterianwomen/videos](https://youtube.com/presbyterianwomen/videos) (PW’s YouTube channel), the video debuted at the 225th General Assembly (2022) and is an excellent tool for showing why Presbyterian Women matters. Share a link for the video in your next personal email, church newsletter or minute for mission. Use it as a tool to raise awareness about and invite others to participate in our life-changing organization.

**THE GIFT THAT KEEPS GIVING**

The **Honorary Life Membership** program honors that faithful servant of PW on every level and to the church with the gift of a certificate and pin. The Honorary Life Membership pin symbolizes values held dear by Presbyterian Women. In addition to recognizing those dedicated women among us, the funds derived from Honorary Life Memberships support the PW Leadership Development Grant Program in many forms. Grants from this program enable individuals to engage in leadership development opportunities such as the (1) Churchwide Gathering, (2) Ecumenical Advocacy Days and (3) the UN Commission on the Status of Women. Encourage your PWs to participate in the Honorary Life Membership program.

**DELVING INTO JUSTICE**

The Justice & Peace Book Discussion Group continues to meet online from 5:30-7:30 p.m. (Central Time). You can register at [presbyterianwomen.org/justice](https://presbyterianwomen.org/justice) to join in the book discussions.

During the next Justice and Peace Book Discussion Group on September 11, 2023 we will be discussing: **Violence Against Women: What Everyone Needs to Know** by Jacqui True. Violence against women and girls (VAWG) is a longstanding problem that has increasingly come to the forefront of international and national policy debates and news: from the US reauthorization of the Violence against Women Act and a United Nations declaration to end sexual violence in war, to coverage of gang rapes in India, cyberstalking and revenge porn, honor killings, female genital mutilation, and international trafficking. To sign up for this and other free discussions, visit [presbyterianwomen.org/justice](https://presbyterianwomen.org/justice) for information on specific dates for this year’s J&P book discussions and for a downloadable flier to share.

On November 13, we will be discussing the movie “Wind River” which focuses on Murdered and Missing Indigenous Women, Girls and Two Spirit People (Madison McKinney has agreed to help facilitate!!)

## Showing Kindness to the Environment

The PW of Linn PC in Lake Geneva Wisconsin, has been recycling grocery bags into sleeping mats and pillows for the homeless for several years. This year they have added a new direction for their recycling. The NexTrex Company, a nationwide company, offers an opportunity to recycle all manner of flexible plastic. Cooperation has been established between NexTrex and retailers in every state to accept flexible plastic. Register with the company, and within six months weigh and collect 500 pounds, and receive an attractive, and sturdy bench. Linn will place their bench near a newly installed labyrinth on the church grounds. An Eagle Scout in the congregation has been generous enough to take on the labyrinth as his community project. Other churches in the area have met the challenge and placed their benches in their memorial gardens.

It is amazing how quickly the challenge can be met. Just put out the word to the congregation, friends, neighbors and family to save their plastics. The list of items to save are grocery bags, bread bags, bubble wrap, ice bags, Ziploc bags salt and birdseed bags, etc. Go to the [NexTrex.com](https://www.nextrex.com) website for details and help save the environment.

Save the date to gather in person and in faithful community  
at the 2024 Churchwide Gathering of Presbyterian Women,

**August 8-11, 2024**

Details to come!

## Pine Ridge Mission Trip

Hope Dougherty and two other members of Manitowish Waters Community Presbyterian Church are joining with six members from United Presbyterian Congregational Church in Ashland, Wisconsin are traveling to South Dakota on September 8th to work with Re-Member, a nonprofit organization that has been focused on the Oglala Lakota people of Pine Ridge since June of 1998.

Re-Member provides a service and learning experience, combining projects with cultural immersion. The projects that volunteers work on are intended to improve living conditions for families on the reservation, mainly by helping meet the basic need for adequate shelter, outhouses for those without indoor plumbing, ramps for the disabled, beds for people sleeping on floors and skirts for trailers susceptible to South Dakota's unpredictable weather. Some of us may be chopping wood, others may be building shelves, and whatever else we can help with. We are carpooling, traveling to and from Pine Ridge, so please pray for safe travels and an awesome experience for all of us!

Peace and Blessings,

Hope Dougherty PW Moderator, Northern Waters

**A TRIENNIUM THEME WORTHY OF COMMITTING TO: Living in a world without violence against women and children.** Pause for a moment of silence on Thursdays at noon your local time to remember and honor those who have died at the hand of sexualized or gender-based violence. Go online at <https://www.ecumenicalwomenun.org/thursdays-in-black> and commit to the pledge below: I commit to: **Thursdays in Black.**

In solidarity. In protest. In mourning. For awareness and In hope.

By supporting to wear black on Thursdays, I stand

- In solidarity with 1 in 3 women worldwide who face violence in their lives
- In protest against systems and societies that encourage violence in any form
- In mourning for men, women and children who are harmed and killed in sexual violence
- For awareness and knowledge about the challenges of sexual and gender-based violence.
- In the hope that a different reality is possible.

MAKE THE PLEDGE. #THURSDAYS IN BLACK. STAND AGAINST VIOLENCE.

Let us not grow weary in our work toward a world absent of violence and terror perpetrated because of one's gender. Instead, let us be heartened by the courage taken, community of support built, and ceaseless action taken by girls, young women and women - and in our thoughts, words, and deeds join them, not only on this day of international celebration of women, but every day.

MS. CASEY HARDEN, GENERAL SECRETARY,  
WORLD YWCA

## Chosen by God

Throughout scriptures we have read again and again that God has chosen the least and the most unlikely of his Children to be leaders. To be sure, they were most often reluctant leaders – “Why would God choose me, of all people?”

Ask yourself ‘am I prepared to be one of God’s leaders?’ Of course your answer may be a resounding ‘NO’. “How could I, myself make a significant difference?”

Look around; over and over again we see just one individual having a negative impact on the world around him or her. Are these folks just speaking more loudly, or are they more important than you or I? We are all equal in God’s eyes. If you are like me, you may have suffered with an inferiority complex. I am not as smart as others. I couldn’t possibly get up and speak in front of others. I am not as well educated as others. Some of us had those feelings reinforced by adults or peers as children – and we believed them. Remember those questionnaires when you were asked who in your past has had a positive influence in your life? Perhaps it was a parent, a teacher, a neighbor or some other mentor. Which are you? Do you reinforce the negative, or lift up with encouragement? We are all loved and called by God for some special purpose.

Recently I was visited by my five year old great granddaughter. She asked a simple question about a neighbor/friend of mine, and asked this friend’s name. Just at that time I had one of those embarrassing ‘senior moments’ and could not recall my friend’s name. Little Jane did not judge me. She simply, in her quiet way, said “That’s OK Grandma, That’s OK”. This small child showed more grace and compassion at that time, than most of us expect from others. So what’s the point? God may, or may not be calling any one of us to be a great leader. Perhaps He is just calling us to be that person of influence who encourages and lifts up someone when they need it most. Yes, we as individuals can make a profound difference in this chaotic world, if we open our hearts to God’s call

***Braiding Sweetgrass:***  
***Indigenous Wisdom, Scientific Knowledge,***  
***and the Teachings of Plants***  
**by Robin Wall Kimmerer**

This book study is sponsored by Presbyterian Women in the Synod of Lakes and Prairies and led by members of the PWS Native American Concerns Committee. It is open to interested women and men across the synod, via Zoom. There is no charge to participate, yet registration is required.

**Dates for 2023: August 28, September 18, October 16 and 30**  
**Daytime study begins at 1:30-2:30 PM (CST)**  
**Evening study begins at 6:30-7:30 PM (CST)**

**Synopsis:** As a botanist, Robin Wall Kimmerer has been trained to ask questions of nature with the tools of science. As a member of the Citizen Potawatomi Nation, she embraces the notion that plants and animals are our oldest teachers. In *Braiding Sweetgrass*, Kimmerer brings these two lenses of knowledge together to take us on “a journey that is every bit as mythic as it is scientific, as sacred as it is historical, as clever as it is wise” (Elizabeth Gilbert).

Drawing on her life as an indigenous scientist, a mother, and a woman, Kimmerer shows how other living beings—asters and goldenrod, strawberries and squash, salamanders, algae, and sweetgrass—offer us gifts and lessons, even if we’ve forgotten how to hear their voices. In a rich braid of reflections that range from the creation of Turtle Island to the forces that threaten its flourishing today, she circles toward a central argument: that the awakening of a wider ecological consciousness requires the acknowledgment and celebration of our reciprocal relationship with the rest of the living world. For only when we can hear the languages of other beings will we be capable of understanding the generosity of the earth, and learn to give our own gifts in return.

The fruit of silence is prayer.  
The fruit of prayer is faith.  
The fruit of faith is love.  
The fruit of love is service.  
The fruit of service is peace.  
—Mother Teresa of Calcutta  
\*\*\*\*\*  
People who are too busy for  
prayer are busier  
than God ever intended they

should be.

+++++

Because my faith in God is strong  
My life is filled with hope.  
When problems rise and threaten me  
He gives me strength to cope.  
I won’t lose heart or be depressed,  
Because God’s love is true.  
And he will help me find success  
In everything I do.

\*\*\*\*\*

Opportunity is missed by most people because it is dressed  
in overalls  
and looks like work. - Thomas Edison

\*\*\*\*\*

A knowledge of the Bible  
without a college course  
is more valuable  
than a college course  
without a knowledge  
of the Bible.

\*\*\*\*\*

When God measures man, he puts the  
tape around the heart, not the head.

## WORDS TO PONDER

\*\*\*\*\*

Laughter is the sunlight of the soul.  
God has for you,  
A light for every shadow  
A plan for every tomorrow  
A key for every problem  
And a balm for every sorrow.

\*\*\*\*\*

Blessed is God, Who has had mercy on us  
and fed us from His rich gifts, through His Grace  
and love for mankind, always, now and forever  
and unto ages of ages. Amen

\*\*\*\*\*

Don’t keep the faith.....spread it around!

\*\*\*\*\*

Do all the good you can  
In all the ways you can  
As long as ever you can  
By all the means you can  
In all the places you can.  
—John Wesley

\*\*\*\*\*

Friendship doubles our joy and divides our sorrow.

\*\*\*\*\*

To experience God’s love and not give it away  
Is like holding onto an unopened gift.

\*\*\*\*\*

Blessed are they who have the gift of making friends  
For it is one of God’s best gifts.

\*\*\*\*\*

The true measure of loving God  
Is to love him without measure.

—St. Bernard

I think Jesus disdained causes  
He didn't line up with any group  
Not the Sadducees, or Pharisees  
Not the Zealots or the Essenes  
Not the collaborative movement which went along with  
Rome (it's the money stupid)  
Or the movement that wanted to eradicate all the Romans

Jesus didn't have much time for movements  
because he only had eyes for people  
People who happened to be Sadducees, Pharisees, Zealots  
and Essenes  
Noble and common  
Rich and poor  
Powerful and powerless  
Healthy and ill  
Confident and confused  
Faithful and faithless  
Righteous and holy messes

And when he saw people  
Who were hurting, questioning  
Lost  
Despairing  
(whether they knew it or not)  
Jesus stopped. And healed. And loved.

He did what he could to make people safe  
Accepted and welcome  
He did what he could to bless  
To guide  
To transform  
He did not just work to help them become who and what  
They were created to be  
Children of God

But he worked to make sure they were fed, clothed, and  
house  
To make sure their thirst was quenched  
Be it spiritual or physical

And when he went on his way  
He left people who were changed  
(or if not changed, sad and thoughtful)

Yes, I know, there are places for movements  
And causes

But sometimes our allegiance to causes can leave us blind to  
people  
We can be so into stopping abortion  
We lose sight of mothers and fathers, and children already  
born  
And we can become cruel and destructive

We can be so into gun rights  
The environment  
Animal Rights (pick your cause)

That we fail to see people  
We fail to see their fear, their pain, their anger  
And we end up discarding them  
Diminishing and marginalizing them  
Hurting them  
Without compunction  
After all, "the cause!"

I don't know sometimes how to balance it out  
I don't know how to see the people who are wrapped up  
In beliefs, attitudes and actions  
That violate love

It is difficult to stop and truly see them  
It is difficult to love them  
It is difficult to treat them with love

But Jesus did  
He stopped and talked with kindness to the rich young man  
The tax collector  
The Roman soldier  
The members of the Sanhedrin  
The lepers  
The afflicted  
The poor  
All  
How do we do it, Jesus?  
How do we see those who cross our paths  
How do we see them as your beloved children  
As our brothers and sisters

How do we not let our causes  
Our divisions  
Our own sense of right and wrong  
Good and evil  
Get in the way of love?

Jesus stopped. And healed. And loved. Not causes, but people. Madeleine L'Engle  
"I love mankind, it's people I can't stand!" Linus (Peanuts)
