Workshop Description

“Foundations for BeFriender Ministry” is a workshop for leaders who want to implement and maintain a listening ministry of pastoral care in their church, hospital, healthcare campus, long-term care facility or other organization. The small size of this highly interactive workshop allows workshop leaders to address the specific needs and questions of participants. A certified trainer from the BeFriender Ministry National Office will be the workshop leader.

Who Attends

A team of 2-5 from your church or organization including at least one staff person such as (clergy, chaplain, deacon, faith community nurse, director of pastoral care, pastoral minister, etc.) and one or more volunteers. This team will serve as program leaders for BeFriender Ministry in your church or organization. New program leaders for existing BeFriender Ministry programs also attend the workshop.
