

Hutto Lutheran Church

Coming Back Together: A Health Plan for Safety

Out of care and concern for our neighbor and those most vulnerable amongst us, in all phases:

- Strongly discourage vulnerable individuals or individuals who have traveled outside immediate surrounding counties to refrain from attending any in-person gathering.
- Strongly encourage 'stay home if sick'.
- Promote healthy hygiene practices of handwashing and wearing a face covering.
- Plan is based off best known information at present and ammendable at any time.

Phase

01

What we are currently doing.

Stay home. Stay safe.

All worship, bible studies and church activities take place online.

Phase

02

Begins when Williamson/Travis County COVID-19 daily reported positive cases indicate 28 continuous days of decline

Ministry teams and bible study groups may gather in person with strict physical distancing protocols. No more than 10 persons may gather.

Worship remains online only.

Church staff continue to work from home.

Phase

03

Begins when Williamson/Travis County COVID-19 daily reported positive cases indicate 42 continuous days of decline

Worship may take place in-person with strict physical distancing protocols and revised practices. Online/livestreaming worship is still available.

Fellowship activities may resume with moderate physical distancing protocols.

Church staff continue to work from home.

Phase

04

Begins when Williamson/Travis County COVID-19 daily reported positive cases indicate 56 continuous days of decline

Worship may take place in-person with moderate physical distancing protocols and revised practices.

Online/livestream worship is still available.

Homebound communion may resume.

Visits to hospitals/skilled nursing facilities may resume with care and following guidelines set forth by those entities.

Church staff may resume typical work.
