

1st Grade News

(Mrs. Barone & Mrs. Zaidel)

This school year is off to a great start in 1st Grade! We are so happy to be in our classroom and see our students each day. In **Math**, we are continuing our study of addition. We will soon be moving on to subtraction. In **Reading**, we are working on strengthening our reading skills and strategies. We are learning to spell and use short vowel sounds as well. As a reminder, please continue to practice your High Frequency Words nightly. In **Social Studies**, we are learning about the world around us and the people in it using our Scholastic News. In **Science**, we are using Mystery Science to help us discover Plant and Animal Superpowers. In **Religion** we are focusing on God's goodness and the lessons Jesus teaches us.

Please remember to look at the Peek at the Week for dates assignments are due, when assignments are to be completed, and what is to be completed daily.

Thank you for all your hard work and cooperation in helping your student complete his/her work in a timely manner. We appreciate your help in posting assignments to Google Classroom, monitoring students on Google Meet, and helping us be successful throughout the year.
