Director of Music/Organist Position

The First United Church in Geneva is hiring a Director of Music/Organist to begin in January 2025. The duties are described below. If a qualified candidate is not found by that date, we will hire a substitute, and details about that position also appear below.

The church celebrated its centennial at its current location at the top of Seneca Street in 2014. The landmark four-sided clock tower and the church's magnificent stained glass windows were refurbished during that time. The choir averages about 10 members and sings at the 10:30 a.m. Sunday service. A well-maintained Moeller pipe organ, a keyboard and a piano are in the sanctuary.

The congregation, which averages about 60 members in person and online each Sunday, greatly appreciates the church's music ministry and considers it an essential part of the worship service. Candidates do not need to belong to our denomination, but familiarity with Christian music and a traditional Protestant worship service is preferred. Having experience with contemporary worship and praise bands will be considered a plus. Interested candidates should send their qualifications to genevanyfumc@gmail.com and tmaurer374@gmail.com.

Music Director/Organist

Position: Director of Music, First United Methodist Church, Geneva, NY

- Salary: Approximately \$14,000 ~ \$15,000
(Negotiable, commensurate with experience).
- Hours: Approximately 10 hours per week
