

ANNUAL CONFERENCE 2020

Changes for registration for youth and coordinators

YES, there are changes that the youth need to be aware of for this year's Annual Conference.

- 1) Youth equalization members need to fill out application in their own DISTRICT to be approved to attend
- 2) Register online with the Youth EQ form (this is new this year)
- 3) Cost to register is \$10.00 for youth equalization members (opens Feb 28th - closes May 1st)
- 4) Youth will be asked about housing on the registration form - NO ONE should be calling the district office for housing questions!
- 5) Late fee is \$75.00 this year
- 6) Once Betsy O'Flynn receives your registration, she will be confirming with your district that you have been approved and filled out the proper paperwork for your district- You will NOT be accepted to attend until the district says yes.

Separate, but pertaining to youth - youth coordinators MUST register online with the regular registration form; they MUST ALSO email Betsy O'Flynn (geneseevalleydistrict@unyumc.org) to request to be housed in the Parkview. They should state what day they are arriving and what day they are departing, and if they have a specific roommate request. This request MUST be made by the deadline or they will NOT be guaranteed a room.

This same will apply to any Young Adults that would like to stay at Parkview. They will need to fill out application in their own district if applying to be an EQ member - then register online with the regular registration form; then email me to request to be housed in Parkview. We hope this will prevent any mix-ups with youth showing up at the conference that no one knew they were coming. Thank you for assisting with this.
