

**CELEBRATES  
NATIONAL SCHOOL BUS SAFETY WEEK!  
OCTOBER 21-25, 2019**

**TRAFFIX REMINDS YOU TO  
BRAKE FOR THE SCHOOL BUS!**

- Motorists should not be within a 10-foot radius around all sides of the school bus.
- When a school bus is present, travel slower and farther away from the school bus. Slow down when the flashing yellow lights go on.
- Remember to STOP at a safe distance away (at least 25 feet) from the school bus when the stop arm is out and the flashing red lights are on.
