

We Need Your Support

Dear Friends & Supporters,

Team ACS has adapted quickly to what seems to be the new normal in the world around us. While the Covid-19 outbreak has affected everyone, it affects our homeless and families living through poverty, especially. So we are stepping up to meet those needs. During this pandemic, we will continue to provide high quality services and support to the homeless families and newly housed families enrolled at our agency. In the few weeks of the outbreak, our families are already experiencing job loss, reduced work hours, loss of childcare, worry, anxiety and, fear of the unknown times ahead.

No matter what, ACS will remain their constant – we will not leave their side – we will be their lost income, their grocery store, their transportation, their support – we will be there!

In response to the COVID-19 outbreak, the Early Childhood Education team has implemented an online learning curriculum and also have provided tablets & laptops to each family. Our goal is for our students to stay on track to meet academic and developmental milestones while our agency is closed.

In response to the urgent need, we have and will continue to provide our clients with cleaning supplies, emergency food and MARTA cards. We will also be providing families with emergency assistance for rent and utilities to keep them permanently housed and stable until schools open and they can return to work.

We Need Your Support!

It is called the [Covid Emergency Family Fund](#) and these funds will be used where they are needed most. If you are able to make a contribution, please do so by clicking on the donate button below. Please select [COVID Emergency Family Fund](#) in the “Apply My Donation To” drop down box. Selecting this will enable us to track and report the good will and generosity of our community as it relates to this outbreak.

DONATE NOW

THANK YOU!!
