## Early Learning & Care Response Funds

Family Resource & Referral Center has received funds for cleaning and supplies for child care providers from the California Department of Education. Funds have been allocated on

### Who can apply?

Licensed & Licensed-exempt centers and home-based providers who offer services to families receiving subsidies or are private paying families. Must be open or willing to re-open.

### How to apply?

1. The self-certification application and W9 can be found at [www.frrcsj.org](http://www.frrcsj.org)
2. Submit your completed application to [providersupply@frrcsj.org](mailto:providersupply@frrcsj.org)

### What can funds be used for?

If a child care setting receives funds, they must be used to ensure health & safe child care settings.

Examples of allowable expenses:

- Cleaners, soap and sanitizers
- Masks, gloves and other personal protective equipment (PPE)
- Labor costs associated with additional time for cleaning or cleaning services
- Instructional materials necessary to implement social distancing
- Other reasonable health and safety costs associated

Funds are on a first come, first served basis. Providers that are closed or not willing to reopen are NOT eligible.
