

The Complete Count Committee – San Joaquin County invites you to a San Joaquin County
Convening to inform you about our county's efforts and strategies to reach the hardest-to-count
populations in our county.

Our county counts. Our residents count. As Community Organizations and Partners, we need to help
spread the word about the importance of the 2020 Census to ensure San Joaquin County receives its fair
share of federal funding and resources, as well as political representation.
