

TIME FOR YOUR ANNUAL PART D PLAN CHECK-UP

Why is it important that I check my Medicare Part D plan each year?

- + Plans change the list of drugs they cover every year.
- + Plans change how much you pay for your drugs every year.
- + About 8 out of 10 beneficiaries have been able to save money on their Part D drug costs with our help.
- + To see if you may qualify for more help in lowering your drug costs.
