 <p>Talk, Read, Sing, Draw, Play & COUNT</p> <p>The 2020 Census is the official population count in the U.S. and only happens every 10 years. When it comes to the Census, EVERYONE counts. In 2010, California had the most children ages 0-5 not counted, resulting in less money for important services.</p> <p>Why is the Census so important?</p> <ul style="list-style-type: none"> A complete Census count REALLY matters. How much money our community gets for things like schools, roads, parks, and services during the next 10 years depends on a complete Census count. That's funding for our schools, children, Medi-Cal, CalFresh (Food Stamps), and more. Are my answers private? How can I take the Census? <p>Be sure to count ALL children living at your address if they stay with you most days. That means your nieces, nephews, your grandkids, foster children and even your friend's kids!</p> <p>For more information, visit www.dilidscount5JC.com.</p> <p>FIRST5 San Joaquin</p>	<p>Talk, Read, Sing, Draw, Play & COUNT Parent Tip Sheet 8 ½ x 11</p>	<p>Quantity – English:</p>

 <p>Our Kids Count</p> <p>In our community, we believe every person counts. And we believe every person should get their fair share – especially little ones. As a result, we're working to make sure every child in our community is participating in the U.S. Census. The data and government uses census information to fund programs that help our children and families.</p> <p>Here are just a few reasons why your participation is important:</p> <ul style="list-style-type: none"> • About 1 in 5 children in California live in poverty. • About 1 in 5 children in California live in families that don't have a high school diploma. • California receives more than \$100 billion in federal funding for children every year. • The number of children in California has increased by 10% since 2010. <p>About one million kids under age 5 in the United States were not counted. Please be counted so your community gets the funding and services it deserves.</p> <p>For more information, visit www.ourkidscount.org.</p> <p>FIRST5 San Joaquin</p>	<p>Our Kids Count Census 2020 Parent Fact Sheet 8 ½ x 11</p>	<p>Quantity – Spanish:</p>
