

Plans are well on the way for our 2026 community events! We look forward to another incredible year. Through sponsorships like yours, we are able to continue bringing high quality entertainment and events that draw THOUSANDS to our area.

The growth of our community involves all of us. All businesses are connected in the area economy. Working together to promote the Park Falls Area as a destination on the map benefits everyone! We encourage all businesses, more than ever, to rise to the occasion and give our residents, visitors, future business ventures, and the Northwoods something to talk about.

Enclosed you will find a list of Sponsor Levels with benefit descriptions, along with a list of the current bands and other aspects of all of our signature events, and a pledge form. Every sponsor will receive recognition for their particular business according to the level of their sponsorship.

Donations in any amount would be appreciated for the general operation of Flambeau Rama, as it's our biggest event of the year! It's a great way to get your name out to a huge audience.

Thank you for your contribution in making our 2026 events something we will all remember. Should you have any questions, please do not hesitate to contact our office.
