The holiday season is fast approaching! We want to encourage people to keep their dollars local and support our small businesses with our Shop Local Event. Event runs starting Friday, November 27th through Friday, December 18th. This event is *free for Park Falls Chamber members* to participate in, but all businesses are welcome to join (see non-member pricing below).

Park Falls Chamber Provides:

- Drawing box and slips
- Advertising - digital ads for event on social media, radio ads mentioning participating businesses, mention on Reality Radio segments, special listing on our website event page, social media highlight on the Chamber pages, and logo/name on printed flyers.

Business Provides:

- Space for drawing box
- Item(s) or gift card for the grand prize basket
- Free for Chamber Members, Non-members must pay additional fee of $20

How it works:

This year, we are updating our format. Instead of punch cards like previous years, each participating business will receive a drawing box and slips. Every time a customer makes a purchase, the business will give them a drawing slip to fill out and put in the box. On Friday, December 18th, a Chamber representative will come around and pick up the drawing boxes. Drawing will take place at the Chamber Office on Friday, December 18th at 1pm and winner will be contacted by phone.

Form due back to Park Falls Chamber by Friday, November 20th to be included.
