

Rosh Chodesh Gatherings At CBJ

Starr and Manavon St in Phoenixville

Rosh Chodesh, the beginning of each Jewish month at the new moon, is traditionally a time for womxn* to gather for renewal and celebration. Join CBJ member, Kohenet Bekah Starr, for a community ritual and sharing circle. We will focus on the meanings and themes of each Hebrew month, through the lens of the Kohenet Hebrew Priestess Institute theology, sharing ways they can help us explore important questions in our lives and our world.
