AnimalSave's Spay & Neuter Clinic went out to Sammie's Friends last month to do a special Spay & Neuter day for their shelter kitties to help them get ready for adoption. We always enjoy being able to help other shelters in the community!

A Furry, Furry Fest was a great success!

Thank you to Scout Troop 24 who spent their morning helping us set up for the event. They worked so hard and even gave some of our adoptable kittens some love before they left.

Also once again, a big thanks to these amazing sponsors and vendors!
