

# THE NORTH DAKOTA ENERGY SUMMIT

August 30 - September 1, 2021  
Rough Riders Hotel | Medora, North Dakota

Hosted by Immediate Past Chairs  
AG Wayne Stenehjem, N.D. &  
AG Hector Balderas, N.M.

## SUMMIT OVERVIEW

Since the Industrial Revolution, energy has become perhaps our most important resource, now powering nearly all industries and economies around the world. This bipartisan gathering will highlight energies like oil, gas, wind, and solar power, and will discuss the importance of energy awareness, conservation and environmental sustainability through human-centered approaches and technological solutions. Attorneys General are well-positioned to create policies, regulations, and strategies for energy conservation. Through collaboration and meaningful engagement, attendees will share and discuss new solutions and ways to enhance the wellbeing of our communities and citizens moving forward.
