Manage your Privacy

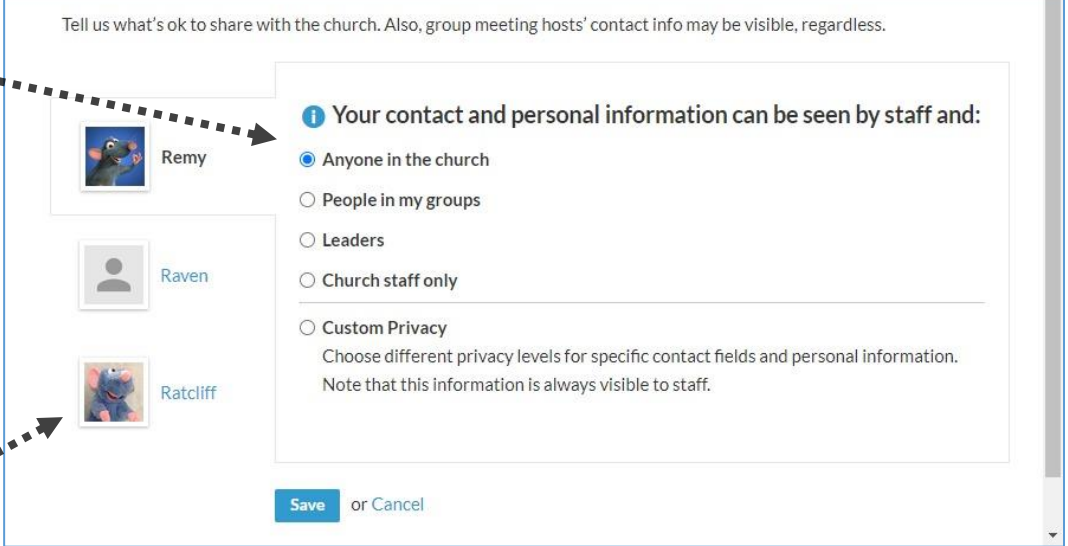

Other church members can only see your name, address, email, phone number, your birth date without the birth year, and the church groups you belong to. You can change this by managing your privacy as follows:

1. 

My Profile: Click on your name and a drop-down will appear. Click "My Profile".

2. 

To manage who can see your information, click "Manage Privacy"

3. 

Choose the privacy you want. (Leaders means only the group leaders of the groups you have joined will see your information.)

You may also change the privacy settings of your family members. Please note **children under 18** can only be seen by people in their groups, group leaders and church staff.
