The Congregation voted to approve the 2019 Actual budget report and the 2020 Operating budget. Generous giving allowed us to finish 2019 with a surplus of about \$7,000. 2020 pledges total \$1,016,000. This will allow the church to accomplish much in the Ministry Action Plan

The Congregation voted to approve the final item of business regarding our full-time and installed pastors Dr. Oliver Wagner and Rev. Anne Fyffe. Dr. Oliver Wagner's compensation increase is a part of three-year effort to get his compensation to market rate. This is year 3 of 3. Last year Ollie's professional expense allowance ran out in the fall and therefore it will be increases by \$1,000 this year.
