

RENEW ESSAY CONTEST

RENEW
REFLECTIVE ESSAYS ON
NATURE, EARTH AND THEIR
WONDERS

The **RENEW** essay contest for Delaware's high school students is a platform for them to reflect—in writing—on climate change and environmental justice. It offers them an opportunity to underscore the urgency for everyone to act individually and collectively to counter the imminent existential threat and overcome a grave moral challenge.

TOPIC: Participants will learn the specific topic of their essays when they log in on the contest day. It will be related to climate change and environmental justice.

HOW: Starting February 1, 2022, and by May 15, 2022, all Delaware high schoolers (including public, private, parochial, and homes schoolers) can register to participate using their valid school email addresses or personal email for home schooled. Students will choose one of the three contest dates, log in and will have 90 minutes to write their essays in the space provided on the website. The essay must be original and solely the contestant's work with a maximum of 1,000 words.
