*What I say to you in the dark, tell in the light;
and what you hear whispered, proclaim from the rooftops.*

This is a brief issue of the Proclaim! newsletter just for
the Advent and Christmas season.

Christmas 2020

Well, it certainly is different this year. No planning for holiday parties. Probably no in-person church service crowded with friends greeting each other with big, loving hugs. Maybe no big family gatherings. Yet so much that really matters is still the same. We anticipate the coming birth of the Christ Child. We take time to be thankful for what we DO have. We share the quiet joy of the planning and praying for peaceful times to come. We are thankful that a vaccine for the Covid-19 virus is nearly ready. We pray for those who have lost loved ones this year. We share the joys of all sorts of things that happened even in a pandemic – births, graduations, weddings. The list goes on. We will get through this time with the loving help of our God.

Merry Christmas and a
Happy, Healthy, Peaceful New Year
