

Join TOGETHER at the Episcopal Church in Delaware's Youth Booth at the DE Pride Festival!

Calling all young people and their families! 

The Diocesan Youth Advisors are thrilled to invite you to be a part of a vibrant celebration of love and inclusivity at our booth during this year's Pride Festival, at Legislative Hall in Dover on Saturday, June 1st. It's a day to shine, share, and show your support for the community.

Here's what we've got lined up for you:

- **Free T-Shirt:** Be an ambassador of love and pride with our specially designed t-shirts, yours to keep and wear with pride!
- **Flexible Timing:** Spend some time with us between 10 AM and 4 PM, or stay with us for the whole day. Your presence is a blessing!
- **Pizza Lunch and Ice Cold Water Bottles:** Fuel up with delicious pizza on us. It's not just about feeding the body but also the soul with fellowship.
- **Parking at Christ Church Dover:** No need to worry about parking hassles. We've got you covered with parking spaces reserved just for you.

This is more than just a booth; it's a mission. A mission to be the hands of God, welcoming and affirming each person's unique beauty and worth. As we join together, we become a living message of God's unconditional love.

At the booth, you can:

- **Hang Out:** Meet new friends, share stories, and be part of a community that celebrates you for who you are.
- **Craft Making:** Get creative and help us make colorful pins that spread the message of love and acceptance.
- **Explore:** Use the booth as your home base to venture out and enjoy the festival's many attractions.
- **Be a Safe Space:** The Youth Booth is a sanctuary of safety, a place where peace and acceptance are not just words but actions and experiences.

Let's make this Pride Festival a special day where we come together as a community, united in love and respect for all. Your participation is what makes this event truly meaningful.

We can't wait to see you there!

For more information, please contact the Diocesan Youth Advisors, youthsupport@delaware.church.

Let's make this a day to remember!
