

Compliance expertise at your fingertips.

Compliance solutions are a big part of the value you see in your Iowa Credit Union League (ICUL) membership. Providing exceptional support to help you tackle your compliance challenges is one of the League's top priorities.

Hotline to compliance experts

Access the team of compliance experts for all your state and federal compliance questions. A deep bench of experts, including former financial institution employees, are ready to answer your compliance questions and help you navigate the challenging regulatory environment.

Call: 844.731.6071 or E-mail: regulatory@iowacreditunions.com

Biweekly newsletters

Twice a month you will receive the latest regulatory news. Stay on top of recent regulatory changes and upcoming deadlines, and dig deeper into hot-topic issues with regular monthly Q&As.

Online policy library

Tap into nearly 100 policies in PolicyAid's online library to help keep your credit union compliant. Emails are sent to notify you of any new or updated policies as changes are made.

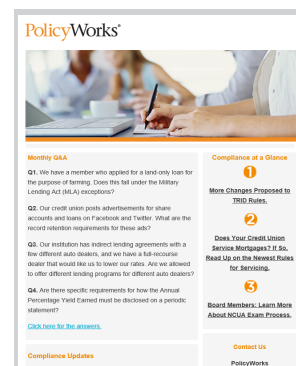

Town hall webinars

Join us for our 30 minute compliance town hall webinars, offered exclusively to League members. These webinars summarize key information on industry hot topics.

Robust online resources
