## Thank You Tulips

by Jean Manis

1. Cut a 4 1/4" x 11" piece of Sugar Cube cardstock and fold in half to create a card-base.
2. Cut Ray of Sunshine Cutting Plate from Sugar Cube cardstock to create a mask for the ink background.
3. Place the mask on the cardfront, taping off the lower half. With Clarity Stencil Brushes, apply Potato Chip and Lemon Meringue inks.
4. Remove the mask and cover up the top half of cardbase. Apply Peapod ink to the lower area.
5. Stamp Simply Stamped - Tulips sentiment with Oreo ink at the bottom.
6. Stamp tulip images with combinations of Cupcake, Pink Champagne, Strawberry Milkshake, and Lollipop inks on Sugar Cube cardstock.
7. Stamp tulip greenery with Granny Smith and Peapod inks on Sugar Cube cardstock.
8. Cut the images with their coordinating dies.
9. Assemble the tulips. Adhere to the cardfront with foam adhesive.
