Oreo

mini Notecards

by Jean Manis

1. Cut Pumpkin, Sweet Basil, Sugar Cube and Granny Smith cardstock with Scalloped Notecard die.

GOLF MINI NOTECARD

1. Stamp Punny Man sentiment with Oreo ink on the Sugar Cube notecard using a stamp positioner.
2. Cut Peapod cardstock with both Scalloped Notecard die and again with Build a Scene - Grassy Hills die. Attach to the bottom of the notecard.
3. Die cut Little Bits - Hole in One from Sugar Cube (golf ball), Toffee (flag pole), Cherry Pop (flag), and Poppy Seed (hole) cardstocks. Attach to the notecard with tape and foam adhesives.

MUSHROOM MINI NOTECARD

1. Stamp Punny Man 2 sentiment with Sugar Cube ink on the Sweet Basil notecard using a stamp positioner and heat-emboss in white.
2. Die cut Little Bits - Mushrooms from Pumpkin (small mushroom), Toffee (stems), Lemon Meringue (large mushroom) and Chocolate Truffle cardstocks. Trim pieces of Sugar cube cardstock and glue to the backs of mushroom tops. Assemble both mushrooms. Attach to the notecard with foam adhesive.

SAW MINI NOTECARD

1. Stamp Punny Man sentiment with Oreo ink on Sugar Cube cardstock. Die cut with Stitched Square Stacklets die. Attach to the Pumpkin notecard.
2. Die cut Little Bits - Tools saw from Toffee and Earl Grey cardstocks. Trim the Toffee handle and attach it to the Earl Grey die cut saw. Attach the saw to the notecard with foam adhesive.

WATERMELON MINI NOTECARD

1. Stamp Punny Man 2 sentiment with Oreo ink on the Granny Smith notecard using a stamp positioner.
2. Die cut two watermelons with Little Bits - Watermelon die from Peapod, Oreo, Cherry Pop, and Pink Champagne cardstocks as shown. Assemble the watermelons and attach to the notecard with tape and foam adhesives.

DESIGNER TIP: The watermelon and mushroom notecards can be created in the same manner as the saw notecard: stamp the sentiments on Sugar Cube cardstock and cut with the square die, rather than stamping the sentiment directly on the notecard, thus eliminating the need for an alignment tool.
