

**If you love art, here are three greats by B.A. Shapiro**

***The Art Forger*** Almost twenty-five years after the infamous art heist at the Isabella Stewart Gardner Museum—still the largest unsolved art theft in history—one of the stolen Degas paintings is delivered to the Boston studio of a young artist.

***The Muralist*** When Alizée Benoit, an American painter working for the Works Progress Administration (WPA), vanishes in New York City in 1940, no one knows what happened to her.

***The Collector's Apprentice*** Accused of helping her fiancé steal her family's fortune and her father's art collection, Paulien Mertens has fled to France.
