

# MARKET CSA

## WHAT YOU'LL GET

Our Market CSA gives you the flexibility of choosing what you want as long as it is in season. In a typical CSA, the farmer decides what you get in your weekly share. Our market CSA gives the option to select what you want from our stand - with a discount!

## HOW IT WORKS

You'll get a 10% discount with the flexibility of choosing what you want from our market stand.

After making an initial \$200 deposit with us, we will credit your account with \$220 of "Conklin Cash". We'll keep a record of what you spend after each transaction. After you use all of your "Conklin Cash", you can purchase additional \$100 increments which would include a \$10 credit.
