

Tumbling Prairie Dogs

Materials needed:

- Copy of pattern
- Scissors
- Tape
- 2 marbles
- Inclined plane with textured surface (ex: furniture cushion, towel draped board)

1. Cut pattern on solid line.
2. Bend the long ends together so they meet at the dashed line. Tape ends together.
3. Hold the circle to form an oblong shape.
4. Fold one flap across the open side and tape in place. This will close off one side of the oblong shape.
5. Insert 2 marbles inside the prairie dog toy.
6. Fold and tape the second side in place to totally enclose the Tumbling Prairie Dog.
7. Place at the top of the inclined plane and watch it go!
