Austin Seminary -- 100 E. 27th Street, 78705

**No cost to participants**

Join us for a morning workshop led by Dr. Philip Helsel entitled "Remembering our Creator in Older Adulthood." Dr. Helsel, assistant professor of pastoral care, will explore "older adulthood as a season of many changes, including increased flexibility, the capacity for broadened thinking, and joy." This workshop will suggest that Christian vocation in older adulthood means remembering God and being remembered by God.

Following the workshop, enjoy lunch, further reflection and discussion, and a time of closing worship lead by UPC Pastoral Staff and members.
