**High Elements Ropes Course** - More of a personal, individual challenge. Wearing safety equipment, participants negotiate a series of ladders, poles, climbing towers, cables and ropes built 30-50 feet above the ground. Group support, empathy and encouragement are important components while the participant faces the important challenges of trust, goal setting, commitment, and pushing themselves beyond their comfort zone to achieve their own individual level of success

Saturday 1:30 – 4:30 - \$20 per person.

We must have a minimum of 8 participants signed up and paid by noon on Saturday.

We are encouraging churches to bring their younger women, ages 15-25 years, for an integrated experience at the Gathering with ladies their age and with ladies of all ages. Special leadership will be helping them during the Gathering. They will stay with their churches.
