

Dear UPC Adults,

We need you to help lead Sunday School for our kids!

We have several different class, age, and leadership options and time slots available throughout the year. Some time slots still allow you to attend up to 40 minutes of your regular adult class or practice with the Chancel choir.

Classes: Only a 35 minute lesson (10:15 – 10:50) for three Sundays in a row.
Sweaty Sundays: Only a 30 minute service project (9:30 – 10) for three Sundays.

One-on-one teacher coaching provided by phone or in person.

Weekly, 5-minute lesson prep videos and easy to use lesson plans emailed to you.

All materials and supplies set out for you on Sunday morning.

We find your substitute teacher if you need to miss a Sunday.

Flexible lesson plans allow you to either pick up and teach with no advance preparation or to apply your creativity and go big!

Opportunity for intergenerational relationship building.

It's okay if you don't have all the right answers to the questions kids might ask. Not even the UPC pastors have all the right answers. Saying "I don't know, but I'll try to find out" goes a long way.

Teaching children is an amazing spiritual discipline and a way to grow closer to God. We've never had a teacher say that they regretted spending time with children.

MEN CAN BE TEACHERS TOO.

You are not too old to teach children. I promise.

We literally cannot make this easier.
