

Staff Spotlight

Meet Aileen! Aileen has been with Magic-Wrighter for one and a half years working as one of EFS' Software Programmers in Information Technology! Aileen enjoys new opportunities to learn and appreciates the variety of techniques and tools used on her job.

Aileen is a single child raised by her Mom who is a Teacher. She has a cat named Mu and a dog named Ellie Mae.

When Aileen is not working, gaming or spending time with her pets, she takes advantage of her musical talents. She likes to play guitar, sing and record music. Playing piano is also something she's been challenging herself with as well as searching out guitars that left-handers can play.
