

E~FUNDS FOR SCHOOLS CAN HELP YOU PREPARE FOR SUMMER CLASSES!

As schools expand summer learning programming to address lost instructional time during the pandemic, let EFS help you prepare.

We make it simple to track enrollment while accepting payments through a variety of platforms and services. Give your students and families the flexibility of paying for courses online, addressing summer camp fees from a mobile device or visiting onsite to pay for extracurricular activities.

- ☞ **Online payments give students and families an easier way to reserve placement for summer school.**
- ☞ **With Flexible Payments, your families can make payments through one of our many POS platforms.**
- ☞ **Complete Reporting helps you focus on successful program growth and development.**
