

# Staff Spotlight

*Maria Jesser* is in the spotlight this month! María has been with Magic-Wrighter for 14 years! Before working in Quality Assurance, María shared her skills in Customer Relations and Customer Integration.

Maria and her amazing husband share three wonderful kids, two girls - in 8th grade and 2nd grade and their little boy who is in Kindergarten.

While the pandemic has ravaged through the world this past year, it has brought María and her family closer. They enjoy weekly game nights, video game nights and movie nights. They set up camp everywhere they can in and out of the house and have fun with nerf wars.
