

HIGHLIGHTS FROM STATED SESSION MEETING

JULY 25 , 2022

- Board of Deacons is planning several events, including a new members picnic, and Rally Day. They are supportive of the upcoming ALERRT security meeting. The Travers Classic has been postponed for this year.
- The Endowment Board has requested endorsement of \$9990 for the Compress and Shock Foundation for AED devices to be distributed by that organization.
- A comprehensive report on the Preschool was presented. There have been financial problems having to do with the pandemic, construction, inflation, and new minimum wage laws. The software used by the preschool has become outmoded and unsupported, so an expense for POWERCHURCH was approved.
- Property and maintenance committee again emphasized the need for attendance at the security presentation on 8/22/2022
- An attempt to reinstitute seated communion will be made on World Communion Sunday.
- The Capital Campaign contributions have been coming in well, and progress on the construction is evident.
