

*We Help Veterans & Families  
Find More Peace in Their Life*

December 2022

**Dear Friends, Colleagues and QL Supporters Dedicated to Assisting Veterans:**

Qualified Listeners Corp is immediately seeking leadership and support volunteers as the organization continues to grow and expand.

We have served over 2,000 Veterans since we began in January 2017. Primarily it has been Veterans in the northern Colorado region but have been called upon by Veterans in other states who hear about us through friends, relatives, and social media. No matter where the Veteran is located, we will help them with resources so they can find some peace in their lives.

Monthly, we field 60 – 80 direct assistance requests at any given time. We are honored to serve 40–60 new Veterans and/or family members who request guidance/help each month through our customized, user-friendly Mission Control (program management) system.

**Please help us promote/fill the following immediate volunteer openings. We are looking for people who are passionate about helping Veterans. Unless indicated otherwise, these positions are open to Veterans and civilians in Colorado and New Mexico.**

**(Veteran) Board Member – Quarterly Board Meeting** (in CO or NM)

- Meetings can be in-person or virtual

**Volunteer Administrator** – Estimated 10 hours per month (2 positions: CO and NM)

- Locate, interview, vet, and train new volunteers as well as organize and hold quarterly meetings of all volunteers per region.

**Outreach Administrator** – Estimated 10-15 hours per month (2 positions: CO and NM)

As Veterans' needs continue to grow, we are looking for volunteers in both Colorado and New Mexico for a few hours each month to assist our veterans with:

- Being a trained Listener to a fellow Veteran.
- Veteran transports to medical appointments
- Moving donated mobility equipment

Of course, there is a variety of things we do for a Veteran who is grateful for help or time from a volunteer. If you, or someone you know, might be interested in knowing more about these Veteran-driven missions, please have them reach out to us. We are happy to meet with them.
