

It's a Wonderful Time

A Time for Giving...

Once again, this year the St. Thomas More PTO will be sponsoring the

Teacher's Christmas Fund

Over the years, this has become a tradition at STM for parents and teachers alike. Parents can avoid the headache of trying to find a token that speaks of their gratitude for those who teach their children, and teachers can have a gift they can use in any manner they like.

To participate, parents send a donation instead of the present they would have bought. If your child is happier giving the teacher something in class, then you might want to give a Christmas card with a note that you donated to the Teacher's Christmas Fund. The collected money is distributed evenly among the teachers and staff. Donations may be made for the Day School or Pre-School teachers. Any amount is appreciated!

Please send your contributions in a sealed envelope labeled 'Teacher's Christmas Fund'. You must write SEPARATE CHECKS for the Day School and Pre-School. All checks must be made out to St. Thomas More Teacher Christmas Fund. Cash is also appreciated, but please remember to label the envelope Day School or Pre-School.

Please include your child's name. Teachers will receive a list of all families who contributed to the fund. ***All donations are due by December 18.*** Please help us by being on time! All amounts are welcome- thanks in advance for your generosity!
