Speaking Of Being Appreciated.... Mrs. Seymour, your kindness to volunteer in the library every Monday morning helps Mrs. Fontenot give support to and enrich our students' library experiences. Having a friendly face, tech savvy personality, and agreeable nature, Mrs. Seymour's assistance is immeasurable. **THANK YOU**, also, to Mrs. Nguyen who was our Library Assistant on Fridays. Her awesome job in preparing and organizing Pizza Hut reading incentive coupons truly brings smiles to our students' faces. Her skilled experience working in our library setting helps day-to-day activities run smoothly.

HAPPY READING “ ” to Hix Family,
for their generous donations of books,
