St. Thomas More Parish School is offering an exciting summer program of learning and fun to support the development of creative thinking, problem solving, observation, experimentation and expressive communication in your child.

The 2019 Summer Program will operate several weeks throughout the summer. The academic program is designed to help your child get ready for the grade level they will enter in August 2019. It will be taught by highly caring, qualified, and dedicated teachers and staff.

Sign up for both a morning and afternoon camp the weeks of May 28-31 (Tues-Fri) and/or June 3-7 (Mon-Fri) and add AM and PM extended day and a supervised lunchtime for $20.00/week. Extended care is available from 7:30a.m. - 6:00p.m.

*Please note, extended day option is offered for the weeks of May 28-31 and June 3-7 only.*

Below are descriptions of the summer program. Please note that lunch is not provided during any camps.

### ART SUMMER CAMP

4 day summer camp on the STM campus this summer, half days and full days available. **EARLY JUNE AND LATE JULY AVAILABLE**

**WHO:** Children entering Kinder - 2nd grade will have an early morning class. Children entering 2nd - 8th grade in the fall can choose between two ½ days or stay for BOTH!

**WHAT:** Each day and class will offer a new project! We will be trying many different mediums and doing the things we WISH we could do all year.

**WHEN:**
- Early session: Monday, June 10th - Friday, June 14th
- Late session: Monday, July 22nd - Friday, July 26th.

**WHERE:** St. Thomas More Art Studio 25

**HOW MUCH:** $120 - $325 *see chart below for specific prices

**Sponsor:** Ms. Macfarlane – mmacfarlane@stmorenews.com

**MATHEMATICS IN MOTION!**

**Sponsor: Mrs. Palazzo**

The Math Camp is an intensive math program that incorporates fun while teaching math to students. Students of all levels will review mathematics fundamentals relevant to their next grade-level and improve their vocabulary skills which will enable them to have a head-start into the next school year. A variety of teaching methods and hands-on materials will be used. The curricular objectives by grade level are provided below.

Cost per class: $85  
Dates: May 28-31 (TUES - FRI) June 3 - 7  
Class size: Min. 5 students - Max. 10 students

<table>
<thead>
<tr>
<th>Students entering grades 1 - 2</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Counting to 100 by 2’s, 5’s and skip counting</td>
</tr>
<tr>
<td>• Knowing the addition math facts</td>
</tr>
<tr>
<td>• Adding and subtracting small numbers</td>
</tr>
<tr>
<td>• Understanding the value of money</td>
</tr>
<tr>
<td>• Knowing the units for measurement, time, weight and geometric shapes</td>
</tr>
</tbody>
</table>

Time: 8:00 a.m. - 10:00 a.m.

GAMES (BINGO, MATH DASH)

MANIPULATIVES - (CUBES, DOMINOES, TANGRAMS, GEOBOARDS, PATTERN BLOCKS)

COMPUTER - (IXL, SOARING TO SUCCESS, XTRAMATH)

<table>
<thead>
<tr>
<th>Students entering grades 3 - 4</th>
</tr>
</thead>
<tbody>
<tr>
<td>• A major roadblock for some students is not knowing their basic math facts. Math problems get bigger and longer as the students get older, and if the student struggles with recalling basic facts, math will be laborious and challenging. This class will have lots of fun while working hard to master basic addition, subtraction, multiplication, and division facts. Students will apply math concepts when solving word problems.</td>
</tr>
<tr>
<td>Time: 10:00 a.m. - 12:00 p.m.</td>
</tr>
</tbody>
</table>

- Place value  
- Subtraction with renaming  
- Addition w/regrouping  
- Multiplication w/regrouping  
- Division by one-digit

COMPUTER - (IXL, SOARING TO SUCCESS, XTRAMATH)

**Camp Read S’more**  
**Sponsor: Mrs. Carville & Mrs. Raimond**

Do you want to experience the fun of camping without actually camping? We will have lots of camping-themed fun and learning activities that include: camp songs, games, reading, writing, art projects and more.

Your camp directors are Mrs. Carville and Mrs. Raimond. Camp Read S’more is open to students currently in Kindergarten- 2nd grade.

8am-12 pm. $85.

Time: Class 8:00 a.m. - 12:00 p.m.  
Dates: May 28-31 & June 3-7  
Class size: Min. 10 students - Max. 20 students  
Price: $85
Math & ELA/Writing Camp

4 Day summer camp @STM for current 4th and 5th graders
Tuesday, July 9 – Friday, July 12
Sponsors: Mrs. Black & Mrs. Mondello

Math - The 5th grade math curriculum focuses on carrying out mathematical procedures and processes. Current 4th and 5th graders attending Math camp will continue to develop their number sense and number fluency, continue to reinforce basic math facts, and work on developing their problem solving skills to help gain the understanding in taking the time, effort, and perseverance to becoming proficient in mathematics.

ELA - Writing is a major component to a student's overall academic success in the intermediate grades and beyond. This summer session will focus on the writing process as well as various formats and styles students can use when writing. Our goal is to build confidence in the students’ writing ability and prepare them for the upcoming school year.

Two options

Option 1
-$200.00 per student includes two classes
-8:30 am - Noon
-includes 1½ hour Math session and 1½ hour ELA/Writing session with a 30 minute snack/break between classes

Option 2
-$105.00 per student per class, choose one class time AND one subject
-8:30 - 10:00 am - Choose either Math or ELA/Writing
-10:30 am- noon - Choose either Math or ELA/Writing

Permission slip/forms for registered students will be sent home at a later date. For any questions, please email: cblack@stmorenews.com or lmondello@stmorenews.com

Class size: Min. 10 students - Max. 20 students
**CodeMaker: Code and Design Games with Scratch**  
**Sponsor: Mrs. Felton**  
**Children entering Kinder - 4th grade**

Aspiring coders dive into creating animated stories and interactive experiences while learning essential programming concepts with Scratch. This drag-and-drop, creative environment developed by MIT uses sprites and code blocks to set a foundation of computational thinking—an essential skill in this tech-driven world—enhanced by bright visuals and engaging design.

**In this course, your student will:**
- Create variables and if-else statements
- Program using arithmetic operators
- Design and animate sprites
- Experiment and explore to build creativity and confidence

**Your student will take home:** Project files

**Time:** 8:00 a.m.- 12:00 p.m.  
**Dates:** May 28-31, June 3-7, & July 22-26  
**Class size:** Min. 10 students - Max. 20 students  
**Price:** $85  
**Contact Info:** jfelton@stmorenews.com

**Building and Coding with Ozobot**  
**Sponsor: Mrs. Felton**  
**Children entering Kinder - 4th grade**

This one week, four-hour a day summer camp is designed to teach children the very basics of programming through use of color. Each student will be assigned use of an Ozobot, no sharing needed! We'll design costumes, teach our Ozobots to dance, and learn about how robots like the Ozos are used in real science and engineering projects. We'll cover all of the STEAM concepts in this week!

**Your student will take home their very own Ozobot.**

**Time:** 1:00 p.m.- 4:00 p.m.  
**Class size:** Min. 10 students - Max. 20 students  
**Dates:** May 28-31, June 3-7 & July 22-26  
**Price:** $100  
**Contact Info:** jfelton@stmorenews.com
