

# Strake Jesuit Debate Camp

The Strake Jesuit No Limits Debate Camp has been teaching kids from all over Texas how to debate for over 15 years now. Our staff focuses on teaching students how self-advocacy prepares them for competitive high school debate. Whether you're a middle schooler trying to improve, a rising freshman who wants a leg up, or a high schooler who wants to hone their skills, No Limits Debate Camp is the place for you!

## ABOUT THE CAMP:

1. **We will have two levels of labs**, one for the beginner and one for more experienced debaters.  
Chris Castillo will run the LD program. Chris Castillo consistently coaches students who make it to late out rounds at the Tournament of Champions.  
Cecil Trent and Anson Fung will run the PF Program. Anson Fung coached three teams who qualified to the Tournament of Champions this year, tying an all-time record!
2. **We operate from 9:00 AM to 5:00 PM**, ensuring plenty of time for practice rounds each day!
3. We will have **access to a fully equipped computer lab** for research and case writing. Students will learn important research skills which will serve them well in their high school and college careers.
4. **Public Forum Camp** is also bigger and better than ever. This year we will have multiple top-ranked debaters as lab leaders.

**Learn the skills that will make you a winner** in competition, in the classroom and for the rest of your life!
