SUPCO® MINI-SPLIT CATCH-ALL™

- ✓ Protects walls and floors when cleaning coils on indoor units
- ✓ Adjustable size to fit all applications
- ✓ Durable construction and material for multi-use

Protect surrounding areas from water spray when cleaning indoor mini-split evaporator coils, ceiling cassette units, or ductless outdoor building mounted condenser coils with the Mini-Split Catch All™.

The fully adjustable size allows it to fit all applications up to 47"X47". Made of durable vinyl, it's fully reusable and packs away in an included carry bag.

PRODUCT FEATURES

- Adjustable width from 47" x 25" for wall unit, to 47" x 47" for ceiling cassette unit
- Includes storage and carry bag
