

Next New Member Sunday is December 9

New Member Sunday is when we welcome and celebrate new members of the FCCWP family. If you would like to join our community of faith, please fill out a Membership Profile (found [here](#) on our website) and give it Mary Joe, our church administrator by December 2.

If you've been worshipping at FCC, you might be wondering about membership and why you should join. In our tradition, officially joining the church matters. New members stand in front of the congregation and make promises about their commitment to God and to our faith community. In the UCC, there is no hierarchy that tells churches what to do. We have "a priesthood of all believers" which means all of us do ministry. When you join our church, you become a voting member and are able to vote on our budget, who will serve as leaders and other important matters.

Being a member of our church means that not only have you chosen this place to worship, you have also chosen to be a part of this faith community. We who are already members make promises to support you on your faith journey.
