

We have confirmed the re-scheduled weekend for the Camp Boggy Creek service project retreat weekend. Mark your calendars for March 17th and 18th. We will travel up to the camp early Saturday morning, work the day, spend the night, finish up any remaining work on Sunday morning and be home early afternoon. We did this service retreat back in November of 2016. It was an amazing weekend of service, fellowship and friendship building; an experience I will not ever forget. Don't be left out...
