Let's celebrate the holidays in the summer! As we learn about Christmas and many other holidays around the world our season of giving will begin in June!

We will create classic holiday keepsakes in our Art Room. Our *new* Traditions Room will capture different culture celebrations. There will be a holiday party every day in our Snack Room. Outdoor games will see fun meant for December!

Best of all, our daily Outreach will help local organizations now, and into the next holiday season.
